## Public Records Request

The City of Hermosa Beach encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents which are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney—client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review.

Re: CrossFit Horsepower  
Public Hearing July 10, 2018

To Whom It May Concern:

Our office represents CrossFit Horsepower. Pursuant to the California Public Records Act § 6250 et seq., I am requesting an opportunity to inspect or obtain copies of public records in your possession relating to CrossFit Horsepower.

The records sought through this request include, but are not limited to, any and all documents, emails, letters, or text messages to anyone at the City of Hermosa Beach, including employees, Planning Commission members, City Council members, and City Attorney, regarding CrossFit, including complaints by residents from January 1, 2010 through the present. This request encompasses physical documents as well as electronically stored information, including text messages, emails, photographs, videos, and audio recordings related to the above-described matter.

If there are any fees for searching for or copying these records, please inform me and I will remit payment to your office immediately.

The California Public Records Act requires a response within ten business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering this request.

Yours very truly,

BAKER, BURTON & LUNDY,  
A Professional Corporation
